

# FACT SHEET

## Runnels County Jail Repairs

### **MAY 3, 2025 BOND ELECTION FOR THE RENOVATING, REPAIRING, MAINTAINING, IMPROVING, UPGRADING, AND EQUIPPING OF THE RUNNELS COUNTY JAIL.**

The proceeds of the bonds will be used to renovate, repair, maintain, improve, upgrade, and equip the Runnels County Jail (these activities together, the “Jail Project”). The specific items of work to be undertaken and materials and equipment to be purchased with the proceeds of the bonds may include some or all of the items listed below. This list is not exhaustive and additional items of work, equipment, materials, and the like, may be undertaken or purchased in connection with the Jail Project. This list is illustrative of the types of work and purchases that will be made with bond proceeds for the purposes of the Jail Project and does not create a contract with the voters. The following is a partial list of some of the work that may be undertaken in connection with the financed project.

#### Mechanical, Electrical and Plumbing Upgrades and Installations:

1. Fire Alarm System
2. Water Sewer Improvements
3. Thermostats
4. HVAC and Dehumidifiers
5. Lighting

#### Architecture Upgrades and Installations:

1. Ceilings
2. Jail Doors
3. Make intake restroom ADA accessible
4. Security cameras
5. Perimeter.

**This description of the project does not form a contract with the voters.**
